I oppose to a tip in this area, the increased  
traffic on the narrow local roads becomes  
more dangerous for local children, noise and  
increased noise, smell, contamination and loss  
of environment, that has been up until now  
has had minimal damage. I am feeling  
very stressed and upset with the prospect of this

From my house I will be able to see the tip and when the strong winds blow my property may become contaminated with the windblown rubbish.

so all day / every day it will be a constant reminder of the bad decision that the overrident council will make.

I/We seek the following decision from the consent authority (*give precise details, including the general nature of any conditions sought*)
