our children and us would have the chance of losing this precious resource. If the landfill goes ahead I would not feel comfortable with my kids swimming in this area.

The Smooth Hill area is somewhere we often mountain bike and exercise our dog. The lack of a fire management plan and the risk that this poses in a forestry area is unacceptable. The lack of fire fighting resources closeby again makes me question ~~how~~ if we could safely exercise in this area. A fire in 2020 saw a 30 min response time, by which time the forestry would be well a light with little chance of stopping it.
