Applicant's Name: Dunedin City Council

Purpose: Landfill

The specific parts of the application/s that my submission relates to are: *(Give details)*

We holiday at Brighton with our children multiple times each year and plan to retire in Brighton. We all swim, surf and fish

My/Our submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views)*.

We are in opposition to the application for the following reasons:

1. Our family swims at the beach, surfs and enjoy the peace and quiet of Brighton during our times there. Should the landfill go ahead, we will not feel safe using the beach like we have, ruining our Brighton holidays.
2. We are concerned about our property's value if Brighton becomes an undesirable place to live because of contamination concerns.

I/We seek the following decision from the consent authority (*give precise details, including the general nature of any conditions sought*)

The DCC need to look at alternate sites for the next Dunedin Landfill, I understand this option was considered many years ago but life has changed considerably in that time. Brighton is an up and coming township attracting people who enjoy the beauty of the pristine environment, there are much better places to position a landfill.
