Applicant's Name: Otago Regional Council

And/or Organisation: _____

Application Number: _____

Location: Smooth Hill landfill

Purpose: New Landfill

The specific parts of the application/s that my submission relates to are: (Give details)

Water and soil contamination.

My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

We have lived in Brighton for 14 years and will continue to do so into the future. We regularly use Brighton Beach for recreation including swimming, boating (launch for fishing). We take our grandchildren to the beach on regular occasions and they

Love to swim in the Otokia Creek where it merges into the ocean.

We walk our dog along the creek track and he also loves to swim in Otokia creek.

We also regularly mountain bike up Big Stone Road, It's a great ride, due to the limited traffic, amazing views, fresh air and peace and tranquility. We quite often bike on through the forest to Kuri Bush and would not like to be caught in a fire if one eventuated from the proposed landfill.

The smooth Hill application acknowledges that the landfill is at the headwaters of the stream and that wetlands will be drained. That is an activity that would be prohibited now under the National Environment Standards for freshwater. If other landowners in the ORC area were caught doing the same thing they would be heavily fined by the ORC. They admit there is a 'low' risk of contamination but surely 'any' risk is unacceptable.

Should the landfill go ahead I believe it would have a severe affect on the Brighton community and environs.

- Inability to use Brighton Beach and Otokia Creek
- Make recreation ^{activities} on and around Big Stone road, less attractive.
- Decrease ~~in~~ property values

1/We seek the following decision from the consent authority (give precise details, including the general nature of any conditions sought)

We seek the consent authority to reject the
ORC ^{consent} proposal for the Smooth Hill landfill, on Big Stone
Road.

I/we:

- Wish to be heard in support of our/my submission
 Not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.

I, ~~am~~ **am not** (choose one) a trade competitor* of the applicant (for the purposes of Section 308B of the Resource Management Act 1991).

*If trade competitor chosen, please complete the next statement, otherwise leave blank.

I, ~~am/am not~~ (choose one) directly affected by an effect as a result of the proposed activity in the application that:

- a) adversely affects the environment; and

I, ~~do/do not~~ (choose one) wish to be involved in any pre-hearing meeting that may be held for this application.
