Applicant's Name: Dunedin City Council

And/or Organisation: _____

Application Number: _____

Location: Smooth Hill Landfill

Purpose: _____

The specific parts of the application/s that my submission relates to are: (Give details)

The environmental effects of placing a landfill
at Smooth Hill as proposed

My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

I live in Brighton where my husband, children and I
swim at the beach several times a week in the summer.
Should the landfill go ahead I would not feel
comfortable to have myself and my family swimming

at the beach any longer and this would ruin the lifestyle we have here. Any risk of contamination of the Otakia creek and Brighton Beach is not acceptable to me or my family, as this would have a serious negative impact on the wildlife in our area which we also enjoy being surrounded by.

I am deeply concerned about the potential impact on rare species of birds and fish and lizards which enjoy the habitat at present.

These endangered species need to be protected and a contaminated creek and beach would be catastrophic for them.

I/We seek the following decision from the consent authority (give precise details, including the general nature of any conditions sought)

That the applications to place a landfill at Smooth Hill is declined and the Dunedin city council is asked to investigate alternative options properly and thoroughly.

I/we:

 Not wish to be heard in support of our/my submission
