I wish to **OPPOSE** the application of:

Applicant's Name: Dunedin City Council  
\_\_\_\_\_  
And/or  
Organisation: \_\_\_\_\_  
Application Number: RM 20.280

\_\_\_\_\_

The specific parts of the application/s that my submission relates to are: *(Give details)*

Water take and development affecting wetland, creek disturbance, and the effect of releasing effluent to local area.

My submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views)*.

I whole-heartedly oppose the proposal to create the landfill at Smooth Hill and the associated proposed activities which will cause degradation of the local environment and significantly increase the risk of bird strike for flights leaving Dunedin airport.

As a regular air commuter from Dunedin to Wellington, I also have grave concerns at the risk of bird strike associated with having a landfill site so close to the airport. My understanding is that best practice is to not create such a facility within 15km of an airport.

---

I seek the following decision from the consent authority (*give precise details, including the general nature of any conditions sought*)

---

To **not** develop the proposed landfill at Smooth Hill.

To **not** consent the release of effluent into the local environment in the Smooth Hill area.

To **not** consent to any activity which will degrade the quality of the creek and the wetland.
