Applicant's Name: Dunedin City Council

And/or Organisation: _____

Application Number: RM 20 - 280

Location: Smooth Hill

Purpose: Land fill

The specific parts of the application/s that my submission relates to are: (Give details)

- 1) Water Contamination
- 2) Fire Risk
- 3) Loss of Wild Life
- 4) Community well-being
- 5) Bird strike risk being in path of airport flights.
- 6) Odour
- 7) Future generations use of beach affected

My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

I oppose the application as my family spends a great deal of time playing in the creek and ^{surfing} ~~staying~~ at the beach. We hold real concern about the potential for pollution + loss of wildlife. We once saw a white heron on our property - Let's do what we can to make sure our grandkids have these animals in 20 years time. The social fabric of our great community will be negatively impacted if the Smooth Hill Landfill goes ahead.

I/We seek the following decision from the consent authority (give precise details, including the general nature of any conditions sought)

I seek that NO CONSENT be granted in relation to the land fill at Sarooth Hill. The DCC has a duty to future generations to find sustainable & renewable ways of dealing with waste. This is the 21st century, we know better and MUST do better.

- I/we:
- Wish to be heard in support of our/my submission
 - Not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.
