I/ we wish to **OPPOSE** a submission on the application of:

Applicant's Name: Dunedin City Council

And/or Organisation: Dunedin City Council

Application Number: **RM20.280**

Location: Corner of Big Stone Road and McLaren Gully Road, Brighton, at about NZTM2000 1385764E 4905608N.

Purpose: Proposed smooth hill land fill

The specific parts of the application/s that my submission relates to are: *(Give details)*

The land fill that will drain into the Otokia creek drains in to Brighton Beach and contamination of this area is reported in the assessment report on environmental effects pg 20.

The fault line has not been identified in the original application and we know from the Geotech assessment the Akatore vault line runs close to the proposed site this adds risk of contamination. Following a significant event such as that we experienced with Christchurch earthquakes this identified the weakness in their infrastructure and we do not want this to be overlooked in the planning of a landfill that will affect generations to come. Reference Geotechnical factual report pg 8

The application does not align with the National standards for fresh water and this will have a negative affect on ecology and not create a sustainable environment. Reference Pg 82 "application assessment for environmental effects"

My/Our submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views)*.

Otokia creek runs right through into Brighton beach and any land fill will be harmful to beach goers and the community who swim at the beach. My family and I use the beach and my children are junior surf-lifesavers with the Brighton Surf Lifesaving Club.

The beach and the creek are very popular – on a Sunday morning around 70-80 children and teenagers use the beach and creek for learning to be safe in the water – using the creek to learn to use rescue boards before hitting the wave son them.

There is also diverse wildlife on the beach. We have seen oyster catchers nesting, sea lions and penguins on the beach and dolphins cruising not far off the beach.

I therefore oppose a landfill which will be harmful both to human and wildlife users of the beach and creek and which would have a negative impact on the Brighton community and the surf lifesaving community.

I/We seek the following decision from the consent authority *(give precise details, including the general nature of any conditions sought)*

I seek the following decision from the consent authority the landfill does not go ahead and another area is found. It is not acceptable that we put the environment of Brighton beach and surrounding creeks and areas at risk of an environmental disaster.

I/we:

- Not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.

- No

I, **am not** (choose one) a trade competitor* of the applicant (for the purposes of Section 308B of the Resource Management Act 1991).

**If trade competitor chosen, please complete the next statement, otherwise leave blank.*

I, **am** (choose one) directly affected by an effect as a result of the proposed activity in the application that:

- a) adversely affects the environment; and
- b) does not relate to trade competition or the effects of trade competition.

I, **do not** (choose one) wish to be involved in any pre-hearing meeting that may be held for this application.

I **do** request* that the local authority delegates its functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority.

I **have** served a copy of my submission on the applicant.

Notes to the submitter

If you are making a submission to the Environmental Protection Authority, you should use [form 16B](#).

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

Privacy: Please note that submissions are public. Your name and submission will be included in papers that are available to the media and the public, including publication on the Council website. Your submission will only be used for the purpose of the notified resource consent process

If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in [Part 11A](#) of the Resource Management Act 1991.

If you make a request under [section 100A](#) of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners.

You may not make a request under section 100A of the Resource Management Act 1991 in relation to an application for a coastal permit to carry out an activity that a regional coastal plan describes as a restricted coastal activity.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious:
- it discloses no reasonable or relevant case:
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further:
- it contains offensive language:
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.
