 My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

I am opposed to the proposed land fill at Smooth Hill. My views are both fact based and emotionally driven. I am disgusted in the way the council

was pushed ahead with a location that is not only out dated but totally unsuitable. The Brighton area has changed immensely since the proposed site was first identified. Having moved into the area 6 yrs ago, my family enjoy the beautiful beaches and surrounding bush. A landfill will most definitely have a detrimental effect on the environment in which ~~we~~ we live! I am concerned with the smell and the potential for a bird strike being so close to the Dunedin airport. If we knew of the proposed landfill site when we bought here we would not have moved to Brighton. The council has an opportunity ~~to~~ to do the right thing here and finding a location which has next to no impact to residents is a key criteria. I'm sure this is possible. Do THE RIGHT THING DOC!!!

No landfill in Brighton
