Applicant's Name: Dunedin City Council

And/or Organisation: _____

Application Number: Rm. 20.280

Location: Smooth Hill

Purpose: Landfill.

The specific parts of the application/s that my submission relates to are: (Give details)

• Pollution & contamination of Brighton Beach, surrounding coast and Ōtokia creek (Ref Assessment report on environmental effects & National Environmental Standards for Freshwater)

• Disruption to animal, bird, fish species (Ref ORC Notification Recommendation Report)

My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

• my daughter is involved as an active surf life saving guard at Brighton Beach, she is frequently (3-4 days per week over the summer) in the water at Ōtokia creek and at Brighton Beach. I am very concerned about the

effects that any contamination or pollution to the water quality may have on people ~~and~~ and specifically our family from this proposal.

- We have lived in the greater area for over 6 years and the Beach area is a huge hub for the community. If this landfill goes ahead I think this will be extremely detrimental to the spirit of Brighton & the Saddle Hill area. Even just knowing that there could be negative effects could deter people from visiting our area, particularly our safe swimming beach.
- We also fish from the sea in this area, the idea that there could be contamination to potential food that could be caught for eating is also very worrying.
- As an active animal lover and supporter of animal welfare groups I am concerned that Native Eastern Falcon's could have their habitat disrupted we (and the DCC and OREC) should be doing all we can to preserve the area - NOT Degrade it!!
- The DCC should be focussing on the DCC Zero Waste targets - not build a new landfill, educating residents ~~of~~ of Dunedin the reduce waste not giving them a new place _{to} to just dump waste

I/We seek the following decision from the consent authority (give precise details, including the general nature of any conditions sought)

No consent for landfill activities.

I/we:

- Wish to be heard in support of our/my submission
 Not wish to be heard in support of our/my submission
