I/ we wish to **SUPPORT / OPPOSE** / submit a **~~NEUTRAL~~** submission on (circle one) the application of:

Applicant's Name: Dunedin City Council

And/or Organisation:

Application Number: RM 20.280

Location:

Smooth Hill

Purpose:

Proposed Landfill

The specific parts of the application/s that my submission relates to are: *(Give details)*

Degradation of Otokia waterway

Traffic volume

Fire Risk

My/Our submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views)*.

I oppose the application because of the environmental effects

The Otokai waterway has flow issues. Any heavy rainfall resulting in landfill runoff will spell an end to Otokai water quality and risk contamination to Brighton main beach

Trucks through Brighton traveling to landfill will destroy marginal infrastructure already struggling with traffic growth

Proven gas buildup in landfills often results in fire is a huge risk as fire services in Brighton already overwhelmed

I/We seek the following decision from the consent authority (*give precise details, including the general nature of any conditions sought*)

As NZ heads toward a goal of zero waste it is embarrassing that the Council will even entertain the idea of opening a new landfill

I seek declining of the application and seek further consideration and consultation in problem solving a way forward. I seek declining the application on the grounds of further environmental impact on our waterway and beach
