I wish to **OPPOSE** the application of:

Applicant's Name: Dunedin City Council

And/or Organisation:

Application Number: RM20.280

Location: Corner of Big Stone Road and McLaren Gully Road, Brighton

Purpose: Proposed Landfill

The specific parts of the application/s that my submission relates to are: *(Give details)*

"Discharge Permit to discharge waste and leachate onto land, and discharge landfill gas, flared exhaust gases, dust and odour to air, and to discharge water and contaminants from an Attenuation Basin and sediment retention ponds, for the purpose of the construction and operation of a Class 1 landfill."

My/Our submission is *(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).*

My submission is that I oppose the application.

Being a resident of Ocean View I frequently use the beaches between and including Brighton beach and Kuri Bush. The activities I undertake on these beaches are generally swimming and walking and occasionally a picnic. I also mountain bike on Big Stone Road, McLaren Gully Rd, Mcintosh Road and Otokia-Kuri Bush road.

I am concerned regarding the risk of pollutants/contaminants leaching into the creek. The proposed site for the landfill appears to be at the head of the stream and wetlands will be drained. It is my understanding that this activity is now prohibited under the National Environmental Standards for Freshwater. Such activities should not be allowed to go ahead based on applications from many years ago.

If the creek, beaches or sea becomes contaminated because of pollution from the Landfill it will negatively affect my lifestyle by hindering or halting the activities I enjoy. If this occurs it will inevitably be very negative for this coastal area. Currently the area is of outstanding natural beauty – let's not ruin this!

In my opinion it is backwards thinking taking the ambulance at the bottom of the cliff approach by imposing severe fines/penalties for infringements of failure to control contaminants. It will be too late once it happens and it could be devastating for the area and our community,

I/We seek the following decision from the consent authority (give precise details, including the general nature of any conditions sought)

That the Smooth Hill Landfill application be rejected

I/we:

- ~~Wish to be heard in support of our/my submission~~
 Not wish to be heard in support of our/my submission

If others make a similar submission, I/we will consider presenting a joint case with them at a hearing.

- Yes
 ~~No~~

I, ~~am/am not~~ (choose one) a trade competitor* of the applicant (for the purposes of Section 308B of the Resource Management Act 1991).

**If trade competitor chosen, please complete the next statement, otherwise leave blank.*

I, ~~am/am not~~ (choose one) ~~directly affected by an effect as a result of the proposed activity in the application that:~~

- ~~a) adversely affects the environment; and~~
~~b) does not relate to trade competition or the effects of trade competition.~~

I, ~~do/do not~~ (choose one) wish to be involved in any pre-hearing meeting that may be held for this application.

I ~~do~~**do not** request* that the local authority delegates its functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority.

I ~~have~~**have not** served a copy of my submission on the applicant.
