Submission details

Your position: I am neutral towards this application

The specific parts of the application that this submission relates to are:

Realignment and widening of McLaren Gully Road.

My submission is:

We have only recently received the correct legal linework for the proposed new McLaren Gully Road from WSP (Robin Whelan) and we are very concerned about the possibility of losing a significant area of trees if we are required to set back 10m from the new road formation and alignment (due to the road formation moving and/or becoming wider). This could potentially be very expensive for Wenita, in terms of tree crop lost and deforestation (carbon credit) liabilities.

I seek the following decision from the Council:

Our concerns would be mitigated if the 10m setback was not required (or the Dunedin City Council was prepared to pay compensation). *plus, areas of land on Saffhill titles will be*
