Hi Tony,

Not sure how useful this is – Malcolm dug it out.

Subject: Onslow Flows [UNCLASSIFIED]

Hi Carl

WSP have provided an Onslow flow set (daily average flow rate into Lake Onslow) in the latest Electricity Authority hydrological modelling dataset. The report, attached, describes how the flows have been produced – LO flows I think are based on Waipori catchment flows. Also attached is the csv file of flows. Might be handy for Pioneer.

Cheers

Malcolm
