**THAT BE NECESSARY DUE TO THE EFFECTS OF MINING**

Hawkeswood Mining Ltd are planning a gold mining project in the Millers Flat area, and there is a possibility that some of the local bores may be adversely affected by the mine pit de watering. If such an event occurs and there is a failure to supply by the Teviot Valley Water Scheme, Hawkeswood Mining Ltd will provide sufficient potable water for your household to run efficiently at their own cost.

At a very minimum you will receive the same volume as per the supply from Teviot Valley Water Scheme.

Hawkeswood Mining Ltd will also require access for ongoing water bore monitoring.
