Fares & the Bee Card

You can go anywhere on the Dunedin Orbus network for just \$2 with a Bee Card, plus you'll get a free 45-minute transfer.

You don't need a Bee Card to take the bus, but it is cheaper when you have one.

Fares are subject to change. This book will be updated if fares change, but please get the latest information at www.orc.govt.nz/OrbusDN.

Concessions

If you're **5-24 years old, a SuperGold or a Community Connect card holder**, you will need to register your Bee
Card to get the discounted concessionary fare.

To get a concession you need to register your Bee Card at www.beecard.co.nz. To find out more about SuperGold fares and Community Connect please go to page 5.

ORC can help you register the card and load your concession at our offices located at 144 Rattray Street, Level 2, Philip Laing House. You can also call us on 0800 ORBUSDN (0800 672 8736).

Once it's on there, you won't need to show the driver your ID or SuperGold card. You just tag on and off, and the system will recognise your concession discount.

• 144 Rattray Street, Level 2, Philip Laing House.

Community Connect card holders

Community Connect provides Community Services cardholders with half price fares on public transport with a registered Bee Card.

You will need a Bee Card to enjoy this concession. You must link your Community Services card to your Bee Card.

ORC can help you register the card and load your concession at our offices located at 144 Rattray Street, Level 2, Philip Laing House. You can also call us on 0800 ORBUSDN (0800 672 8736).

If you have a SuperGold Bee Card, **do not** apply Community Connect to your existing SuperGold Bee Card or you will lose your free Off Peak travel.

You will need a second Bee Card to access Community Connect concessions.

Feel free to call us on 0800 ORBUSDN (0800 672 8736) to talk to us and get some assistance.

Tagging off

It's important to tag off when you get off the bus, or you may be charged \$3 instead of \$2.

Accessibility

We aim to make the buses accessible for as many people as we can.

Priority seating

All our buses have extra space for wheelchairs and pushchairs. Your driver may ask you to move out of this priority seating for someone who needs it.

Will your wheelchair fit?

Contact the bus company to work out if your wheelchair will fit on the bus you want to travel on. If you have a motorised wheelchair, note that weight can also be a factor for access.

GoBus: 03 474 1699 Ritchies: 03 477 9238

If you use a wheelchair, all our buses have the ability to kneel close to the kerb to make it easy for you to board.

Because accessibility can differ from stop to stop and bus to bus, the driver may have to set up a wheelchair ramp to help you board.

Total Mobility

If you have difficulty accessing the bus service, the Total Mobility scheme could be an alternative for you.

To find out more,

visit: www.orc.govt.nz/totalmobility, or call us on 03 474 0827.

Catching the bus

1. Planning your journey

Use this booklet or our online journey planner at: www.orc.govt.nz/orbusDN to figure out what bus you should take and what time you can catch it.

Need help? Give us a call on 0800 ORBUSDN (672 8736).

2. Checking where your bus is before you leave

All Orbus buses are now fitted with GPS devices, which feed real-time bus arrival times through to Transit (see page 8).

3. Catching your bus

We recommend getting to your stop a few minutes before the listed time unless you are tracking the bus with Transit – times at individual bus stops along the way are a best estimate and can vary depending on factors like traffic and number of times the bus has stopped along the way. Signal the driver with your hand when the bus is in sight. Some stops are used by more than one service, so check the number on the front to see if it's your bus.

4. Paying for your ride

You can pay your fare using your Bee Card or cash. It costs less with your Bee Card. If you're using a Bee Card, place it against the scanner and wait for the beep.

5. On the bus

When you're taking the bus we ask you to follow our Code of Conduct for everyone's safety and comfort. New Zealand has various regulations and guidelines under the COVID pandemic, so please follow instruction signage on the bus about distancing and wearing a face covering.

6. How to get off the bus

When the bus is approaching the stop where you want to get off, press the red stop button near your seat. Let your bus driver know if you need help getting off. Not sure about exact bus stop locations? Ask your driver for advice. If you have a Bee Card, place the card against the ticketing machine at the back or front door until it beeps and then depart.

Sometimes road closures, extreme weather and public holidays can affect your bus. To find up-to-date alerts and timetable changes:

Taking my bike

All urban buses in Dunedin now have bike racks so you have more options for getting around town – and your bike travels for free.

Good to know:

- Bike racks can carry up to two bikes at a time.
- They're designed for wheels larger than 16" (41cm) in diameter.
- Let the driver know right away if you have problems with the bike racks.
- Children's bikes may be allowed on the bus at the driver's discretion, and must be securely held by the passenger.
- E bikes up to 25kg allowed on bike racks.

Bike racks

To load:

- 1. Let the bus driver know you're going to load your bike.
- 2. Squeeze the bike rack handle up to release.
- 3. Lower rack until it is horizontal.
- 4. Lift your bike onto rack with the front wheel facing towards the yellow arm.
- 5. Fit the wheels into the clearly labelled slots.
- 6. Lift the support arm to 'hook' over the front wheel to secure the bike.

To unload:

- 1. Make sure the bus driver knows you're going to unload your bike.
- 2. Unhook the support arm to free the front wheel.
- 3. Lift your bike from the rack.
- 4. If no one else is using the rack, squeeze the handle to fold the rack back up. For safety reasons, the bus can't depart until this is done.
- 5. Step away and carry on your journey.

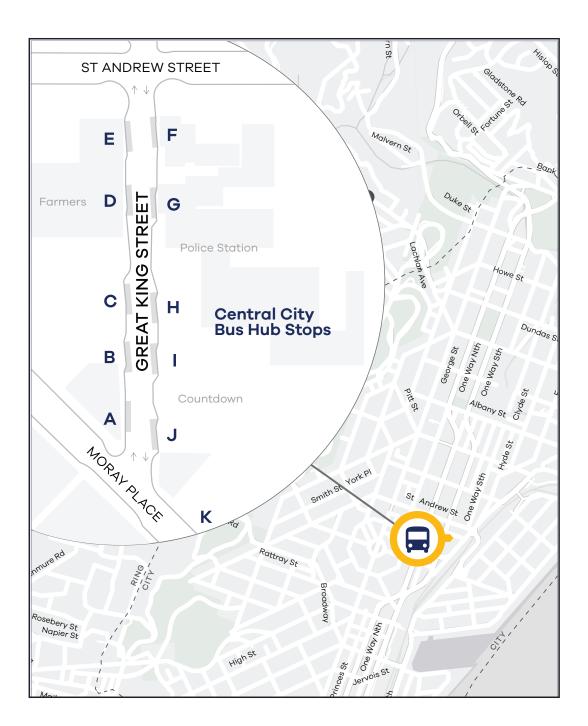

Dunedin Bus Hub

The Bus Hub, located on Great King Street, is Dunedin's major public transport hub. It is the heart of our bus service.

Except for the Ridge Runner service, all citybound services run through the Bus Hub.

Finding your connecting route and making transfers is much easier with everything in one place.

See where your bus is, scan to download Transit.

AVAILABLE ON IPHONE AND ANDROID

Transit

Checking where your bus is before you leave

All Orbus buses are now fitted with GPS devices, which feed real-time bus arrival times through to Transit, a mobile phone application.

If you download Transit, you will be able to view the bus travelling along toward your stop on your phone and plan when to leave for the bus.

The maps showing real time data are also available on our website beneath each route. Click on your route, whether in Dunedin or Queenstown, to see where your bus is.

The Transit Realtime app is free to download from the App Store and Google Play, and easy to use.
