

Note: Cross-sections Lindis River - Flow gauging

The position of the cross section is generally related to a distance from the recorder and is stated in the Face card for each gauging. The distances are a visual approximation only.

Recorder positions are:

Ardgour Road	pre 12/11/2009	E1313863 N5023537
	Post 12/11/2009	E1314455 N5023467
