

On Monday 2nd July we are making some small changes to these services:

33 WAKARI – CORSTORPHINE

50 HELENSBURGH – ST CLAIR PARK

Note that the City – Corstorphine (33) and City – St Clair Park (50) parts of these services have no route changes.

Changes to **33 Wakari – Corstorphine (Wakari end)**

Instead of running along Centennial Ave and Shetland St, the service will begin at Forresbank Ave before entering Balmacewen Rd via Crichton Street and Lynn Street. It will then follow the length of Chapman St, turning into Nairn Street then following Stuart Street into the City.

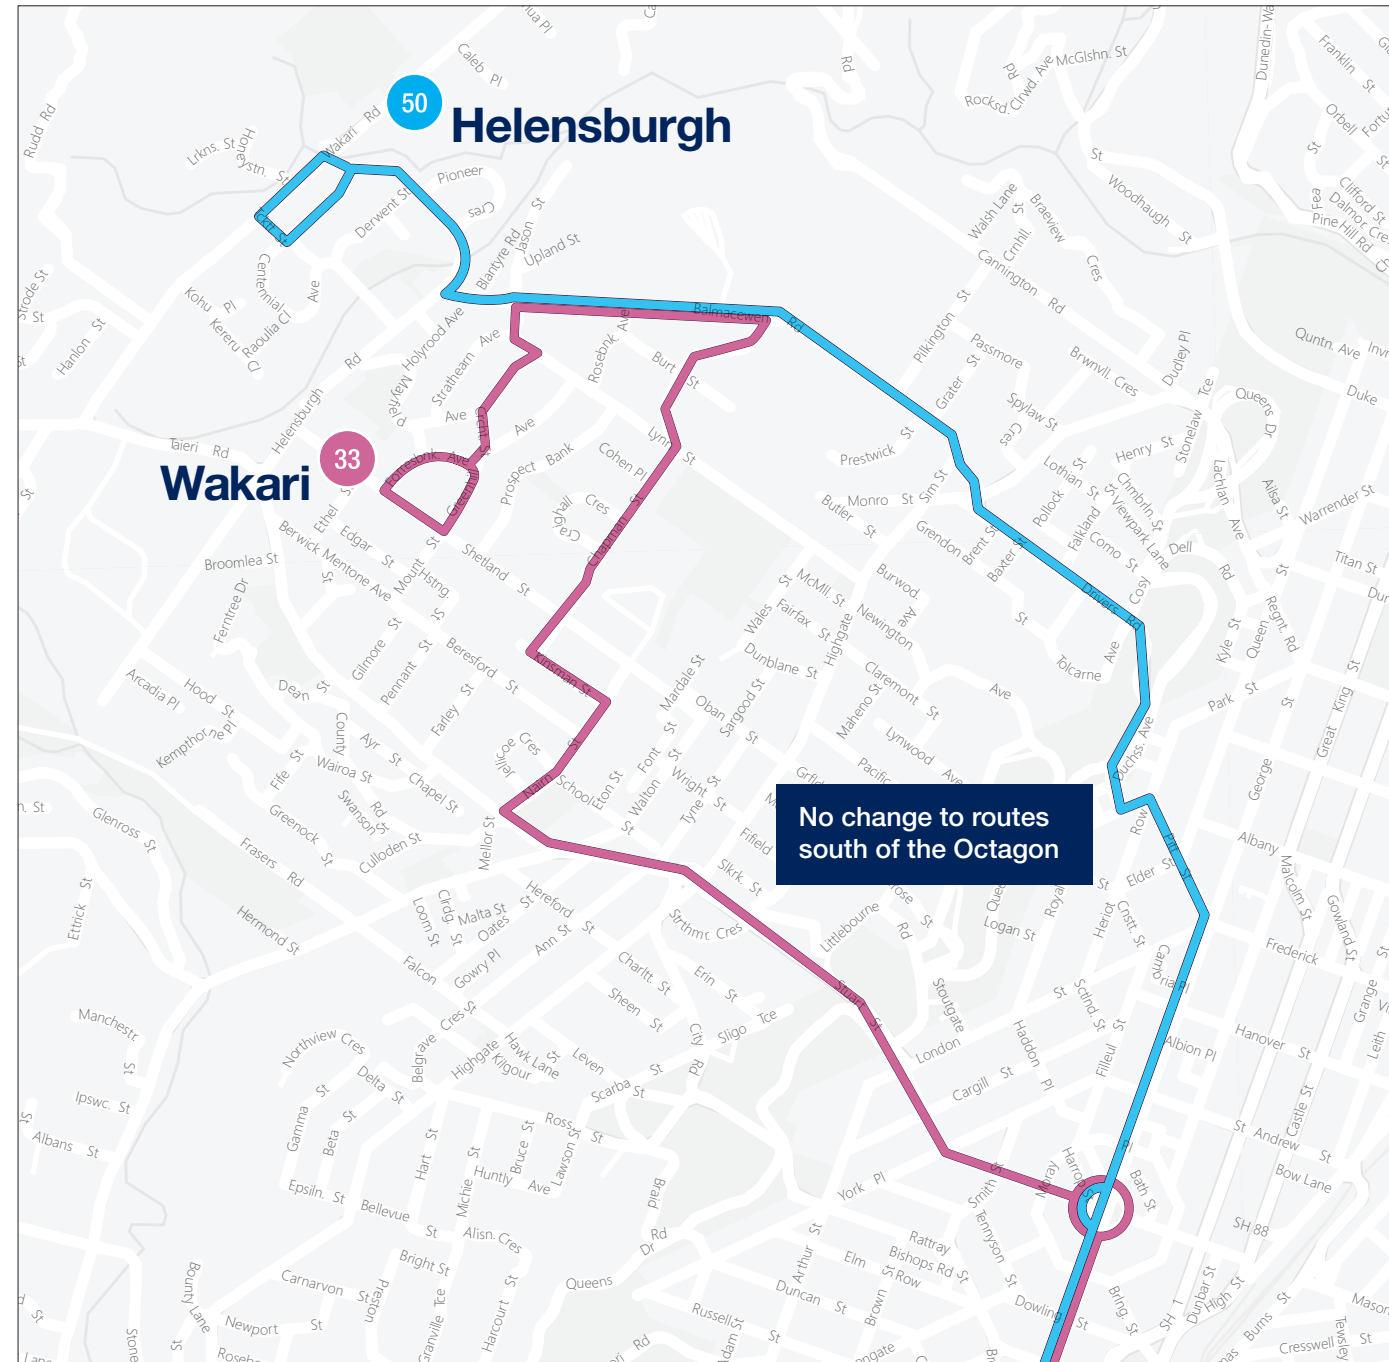

Changes to **50 Helensburgh - St Clair Park (Helensburgh end)**

Instead of running along Lynn St and Highgate, this service will depart from Tuckett Street, via Centennial Avenue and Helensburgh Road, travelling the length of Balmacewen Rd into Maori Hill. The service will then continue into Drivers Road towards the City.

Why are we changing the routes?

Community members in the Wakari and Helensburgh area raised concerns about the route changes made in September 2017. Our councillors have taken on board the feedback and elected to re-route these two services.

Keep this flyer close to your timetable booklet. We will re-issue an updated full timetable later this year.
