

Resolution of Council 20190626 Biodiversity Action Plan

Resolution

That the Council:

1. **Approve** the Biodiversity Action Plan as a living document / Te Mahi hei Tiaki Koiora (Attachment 1), which sets out the Council's intended biodiversity work programme.
2. **Note** that work is underway to integrate the Council's biodiversity and biosecurity activities, and to develop business case options for resourcing these, which will inform the next Long-Term Plan process (2021-2031) and enable implementation of the Biodiversity Action Plan.
