**MEMORANDUM OF COUNSEL****May it please the Commissioners:**

1. By email on 8 October 2019 Counsel filed evidence on behalf of the applicant in this application.
2. By memorandum dated 8 October leave was sought to file the proposed permit documents one day late, on 9 October. Those documents have been produced by planning witness Kate Scott and are now filed herewith as an addendum to her evidence. Note that the proposed changes from the section 42A report versions are tracked for ease of reference and Word and PDF versions are supplied.
3. Dr Ian Jowett is unable to attend the hearing in person. For that reason his evidence has been provided in affidavit form rather than as a brief of evidence.

Date: 9 October 2019

P J Page

Counsel for Criffel Water Limited
