

9.2. Recommendations of Environmental Delivery Committee Resolution

That the Council adopts the resolutions of the 4 September Environmental Delivery Committee.

Report	Resolution	Resolution #	Mover/Seconder
Biosecurity Update	<i>Recommends</i> that the Council endorses a request for the Chairperson to write to the Chair of Environment Canterbury, Environment Southland and West Coast Regional Council expressing ORC's support for collaborative work on regional pest management noting the collaborative work on wilding pines and wallabies to date.	EDC25-109	Cr McCall, Cr Weir
Catchment Team Annual Report and Upcoming work programme.	<i>Recommends</i> that Council endorses the 2025-2026 Catchment Advisor work programme (Attachment 1) of the report.	EDC25-111	Cr Wilson Cr McCall
Biosecurity Operational Plan Annual Report 2024-2025	<i>Recommends to Council</i> to ask the Chairperson to write to the Minister for the Biosecurity and the Minister for Conservation for the review of the Biosecurity Act noting that the RPMP process lacks flexibility and our inability to meet community expectations for support and the considerable community concern about pigs, deer and goats.	EDC25-112	Cr Wilson, Cr Noone
Annual Compliance Report	<i>Recommends</i> to Council that they approve the Draft ORC Annual Operational Compliance Monitoring Report 2024/25FY, subject to the changes offered above in 2) being made.	ED25-113	Cr Wilson, Cr Malcolm
Dam Safety Building Act Enforcement Policy	<i>Recommends to Council that it approves</i> the Otago Regional Council's Dam Safety (Building Act) Enforcement Policy, subject to the changes offered above in 2) being made.	EDC25-116	Cr Malcolm, Cr Noone
