

Orthoptera of Otago

A small selection
of Otago's wētā, crickets,
grasshoppers, and katydids

Southern Alps giant wētā
(*Deinacrida pluvialis*)

Ground wētā
(*Hemiandrus maia*)

Tussock katydid
(*Conocephalus bilineatus*)

Ground cricket
(*Bobilla nigrova*)

Cave wētā
(*Isoplectron armatum*)

Mountain stone wētā
(*Hemideina maori*)

Mossy cave wētā
(*Maotoweta virescens*)

Alpine grasshopper
(*Sigaus australis*)

Alpine grasshopper
(*Sigaus australis*)

Ground wētā
(*Hemiandrus focalis*)

Central Otago cave wētā
(*Isoplectron pallidum*)

Alpine grasshopper
(*Sigaus nivalis*)

Cave wētā
(*Talitropsis sedilloti*)

Sword-tailed cricket
(*Trigonidium maoricum*)

Giant scree wētā
(*Deinacrida connectens*)

New Zealand grasshopper
(*Phaulacridium marginale*)

Garden katydid
(*Caedicia simplex*)
