

SILVER STREAM – NOTICE OF SPRAYING AND MOWING

Otago Regional Council contractors will be carrying out spraying and mowing work to control vegetation at Silver Stream near Mosgiel on the banks of the river between Wingatui Road and where it meets the Taieri River. Dates will be weather dependent, with the work planned to start from May and expected to be completed by the end of June.

A map of the area to be controlled is available on ORC's website at
